

## Tri-State Highway Nears Arlington

Dream of Ten Years Ago To Be Realized; County Opens Bids For Work South of Higgins

The Tri-State highway which was a dream of ten years ago that as an outer belt highway, was designed to connect the states of Wisconsin, Illinois and Indiana, is on its way to Arlington Heights.

Tri State Boulevard was included in the original plat of Stonegate, Arlington's first "gold coast" passing through the center of that subdivision. As word came that the state intended to complete the project in the near future, citizens of Stonegate made efforts to have the highway moved to the east. Rumors are that the efforts have been successful.

The state highway department last week opened bids for the construction work between the DuPage-Cook county line and Higgins road.

The state pays for the construction and the county provides the right-of-way. Cook county will probably follow the same acreage price of \$200 an acre which was allowed in DuPage county. The right-of-way will be 200 feet wide and the pavement forty feet. South of Higgins road, the improvement follows Busse road, north of Higgins, it will vary to the west and north of Arlington Heights, is supposed to follow a section line.

John J. Kelly, chairman of the road committee of the DuPage county board, said this week that contracts totaling nearly \$600,000 had been let for the completion of the Tri-state highway (federal aid route 102) north from North avenue through Addison township to the Cook county line. Work will start within two weeks, it is said.

According to Mr. Kelly, all right-of-way has been procured and other contracts will follow. The total cost is expected to reach a million dollars.

The highway, a forty foot pavement, will pass midway between Wood Dale and Bensenville and will strike the Cook county line just west of the Mohawk country club. An overpass will carry the driveway over the Milwaukee railroad and Irving Park boulevard.

The DuPage contracts are listed as follows: Structure for grade separation of U. S. 20 and federal route 102 north of Villa Park, L. Balking Builders, Inc., Chicago, \$15,418.53; substructure and steel for grade separations on federal route 102, Chicago Grading Co., \$40,503.40; 3.12 miles paving Cook county line to south Bensenville, Fred Lorenz, Inc., Chicago Heights, \$227,558.44; 2.95 miles paving from south of Bensenville to route 64 at Villa Park, West Counties Construction Co., Elmhurst, \$610,176.19.

## Emerald Shop Will Remodel; Big Sale Starts This Week

Extensive improvements are to be made in the Emerald Shop, Arlington Heights women's and children's store, Miss Emma Wilke, proprietor, announced this week, and to make way for the remodeling, a special sale starts today featuring women's dresses and children's school clothes at reduced prices.

Many of the goods being offered at the bargain counters are from the new fall stocks just arrived. Because of some radical changes in interior design and arrangement it is necessary to move these goods at once, there being no room to store or display them. This is a real opportunity to save money. Miss Wilke said, and urges patrons to come early while stocks are complete.

## Garden Club Is Host

The Arlington Heights Garden club held its annual garden party on the N. M. Banta lawn, North Vail street, Wednesday evening. This is an annual event and provides an opportunity to friends of nature to show their appreciation of the work that this club is doing to awake the community to love of flowers and gardens. There were nearly 300 who attended the party. Robert Palmer is president and Mrs. Palmer is secretary of the Garden club.

## Funeral of C. C. Voss Held At Long Grove

Chas. C. Voss, 73, of Prairie View, died at the Libertyville hospital following a stroke that was sustained several weeks ago. The funeral was held from the Lutheran church Wednesday afternoon. Deceased leaves three sons, Charles, Walter and Edwin, all of Chicago.

## Arthur Lauterburg Undergoes Operation

Arthur Lauterburg of Lauterburg & Oehler, was taken suddenly ill Monday morning and rushed to the Lutheran Memorial hospital where an operation for a ruptured appendix was performed. Mr. Lauterburg is doing as well as can be expected and there is every hope for his early recovery.

## Cornerstone Of School Of 1905 Opened

The story of a memorable occasion in Arlington Heights in September, 1905, was revealed when the cornerstone of the old school building on State road was opened on the steps of the new building last Friday evening. A kitchen can opener was used to pry the lid from the tin box. Bud Peters, son of the president of the school board in 1905, was chosen by Mr. McWharther, secretary of the present board, to take out the contents that had lain in the box for 33 years.

First to see the light was the Arlington Heights Review, a newspaper dated September 15, 1905, and contained the story of the school and those who had worked to obtain a 4-room school building, 35 by 90 feet, at a cost of \$10,891.

The building committee consisted of Fred Sieburg, Theo. Miltzer, and A. F. Volz, members of the board that was headed by Charles Klehm in 1904 and Mr. Peters in 1905. "L. B. Wayman was on the grounds every day to see that the building was being properly constructed," read the Review. Bonds of \$9,400 were issued and sold to a Chicago bonding house at \$10,080, a premium of \$680. Roger and Hobson, Harvey, Illinois, were the contractors for the structure.

Enrollment at the school in 1905 was 207. The classes include the names of many who still live in and around Arlington Heights. The graduating class were fourteen in number compared with 41 in the class of 1938.

A 1905 penny was found in good condition among the "treasures." Five people have laid claim to the ownership of that penny, according to Mr. McWharther, who is at a loss as to whom it really belongs.

Contents of the cornerstone will be displayed at the dedication of the new building Labor Day, said Mr. McWharther who has them under lock and key. Those present "when they closed it (1905) and when they opened it" will probably be on hand at the dedication services September 5. Last Friday's group included Henry and Wm. Mueller, Mr. and Mrs. Henry Firmbach, Sr., John Firmbach, Mrs. Enelard, Mrs. Charles Scherf, Peter Mors, Mrs. Ed. Smith, L. B. Wayman, Theo. Miltzer, Mrs. G. H. Peters Harold Peters and Emil Geffert.

## From the Cornerstone

### LIST OF TOWNSHIP OFFICIALS OF 1905

W. W. Miller, Supervisor.  
F. A. Plueger, township clerk.  
Peter Beyer, assessor.  
J. A. Schminke, Collector.  
Henry Tesch, Commissioner of Highways.  
Henry Garm, Comm. of Hwys.  
Adam Horcher, Comm. of Hwys.  
Wm. Thieman, Justice of Peace  
Frank J. Schneider, Trustee.  
BANKRATZ WEIDNER, School Trustee.  
SHERMAN E. PATE, School Trustee.  
D. C. Maenab, Constable.  
Henry Horstman, constable.  
Henry Hipp, constable.  
Wm. Kirchhoff, Canadian Thistle Commissioner.  
Peter Beyer, Treasurer School Trustee.

### MEMBERS OF THE SCHOOL BOARD

G. H. Peters, president.  
A. F. Volz, Secretary.  
Charles Taege, Jr.  
W. A. Plueger.  
T. Miltzer.  
Fred Sieburg.  
L. B. Wayman.

### SCHOOL TEACHERS

Enrollment  
1. Kunie Horcher ..... 40  
2. Marie Mueller ..... 46  
3. Marie Mueller ..... 26  
4. Alice L. Cuddeback ..... 22  
5. Mattie L. Hodgkins ..... 27  
6. Edith M. Abbott, A. Prin. 11  
7. Edith M. Abbott ..... 21  
8. S. J. Fulton, prin. .... 14

### EIGHTH GRADE PUPILS

Jennie Schiffman, John L. Taylor, Laura Belle Wayman, Della Scharringhausen, Walter Sieburg, Martin Fehlmann, Edward Mors, George Klehm, Jr., Ralph T. Allison, Arthur C. H. Kahn, Paul N. Davis, Frank H. Meyer, Harry G. Fairchild, and George Heiber.

Arlington Heights Review, September 15, 1905;  
Time Card of Chicago and North Western railroad signed by J. J. Dietrich, agent;

School book;  
Biennial report of Cook County Superintendent from July 1, 1902, to June 30, 1904, A. P. Nightingale, superintendent;  
Report card, blank;

School directory of Cook County schools;  
1904 souvenir booklet, with S. J. Fulton, principal; Chas. Klehm, pres.;  
Advertisement card for J. B. Collins, photographer;  
Business card of S. J. Fulton;  
Business card of Roger & Hobson, contractor and builder;  
Example of primary work;  
Illinois directory of superintendents and principals;  
Christian Life Card;  
Advertisement card of Emil Sieburg, fish, oysters, etc.;  
Names of pupils in the school; 1905 penny;

## Another Record Crowd At Pool Last Sunday

The peak attendance at the Arlington Swimming pool was Sunday with a total of 409, a goodly part of which were adults. There were many visitors from neighboring towns and praise for the pool was heard on all sides. The pool has proven that it fills a long felt need to the community and there is little doubt in the minds of the park board that the pool will be self sustaining next season.

## Palatine Festival Next Week

### Firemen Plan Unusual Events In 4-Day Festivity

The second annual fall festival of the Palatine fire department will open next Thursday for a four day run.

In addition to all the usual features of a festival, there will be many additional features which will give the appearance of a young county fair to the celebration.

### Farm Display

A farm display under the direction of the high school agricultural department, Alfred Hestrum, director, will lend the old fashioned county fair touch to the festivities.

There will be merchant's displays, various games and entertainment galore.

Band concerts each evening will be a feature of the event and an added attraction will be the "Little German Band."

### Ladies To Join Water Fight

Water fights between ladies teams as well as teams of the neighboring fire departments, will be a feature and don't think that some of the ladies can't handle a hose, some of them have been practicing and they are out to show the men folks a few pointers on how to make that barrel hum around.

There will be drawings each night for valuable prizes and the same high class rides and train will be there for the kiddies.

So everything is all set for a fine time with plenty doing every minute and it's all for a good cause, as the profits which may be realized, will all be used for equipment which will be for the community good.

### It's Up To Weather

The firemen can be depended upon to give everyone their money's worth and as the boys seem to have some sort of a sand in with the weather man, a fine day of weather will no doubt be furnished for all the fun.

It all starts next Thursday evening on the Dean field opposite the high school and continues through Sunday.

## Arlington Theater, Merchants Will Give Baby Photo Show

The Arlington Heights merchants and Arlington Theatre will hold a Baby show Saturday, at the Arlington Theatre, matinee only, in the ladies' baby photo section. Come and see your baby picture on the screen. Doors will be open at 1:30. Show starts at 2:00 to 4:30 p. m. with our regular feature program. The following merchants who are giving the prizes are as follows:

Northwest Service Station, Parkview Tavern, Sieburg Drugs, Winkelmans' Tire and Battery, Arlington Cafe, Busse's Sweet Shop, Warner, Stein's Candy Shop, Lee's Barber Shop, Arlington Chevrolet, Webber Paint, Arlington Cleaners, Wendt's Drug Store, Arlington Nut Shop, Emerald Cleaners, Emerald Shop, Gaare Motor Sales, Reese Hardware Store, Schmidt Brothers, G. H. Wilke, jeweler, Angeloff's Market, Wagner Motor Sales, Schimming Service Station, Mors Bakery, Hartman Shoe Store, Cosman's Unino Tavern.

## One Killed When Car Runs Off Higgins Road In Hanover Twp.

Evar Oakes, 36 years old, of Carpentersville was killed and a companion, Elroy Langue, 24, of Dundee, was seriously injured last Thursday morning when their car ran off the highway 375 feet on Higgins road east of Barrington road in Hanover township.

Langue was found walking along the highway in a dazed condition by state patrolman A. S. LaSalle of Arlington Heights. Langue was unable to give a reason for his predicament other than "someone must have beaten him up." He later identified the car and said that the two had been visiting taverns during the afternoon and evening. LaSalle believed that the accident occurred late after midnight. The police found Oakes slumped over the wheel about 7 in the morning. The ignition was still turned on and the lights were burning. The driver had evidently failed to straighten the car out of an "S" curve, driven off the road 375 feet and vaulted a creek bed to plunge into the opposite embankment.

A coroner's jury presented a verdict of accidental death. Members of the jury were L. E. Aldrich, D. H. Smith, A. L. Levine, Lawrence D. Niemeier, August. Deinlein, and Albert H. Meyer. Deputy Coroner E. J. English presided at the inquest held at Karstens Funeral home last Friday morning.

## Pay Up Or No Water, Is Board Order

Being a good Samaritan to Arlington Heights water users has gone far enough, is the opinion of the village board which has used the wrench freely the past two weeks in shutting off delinquent accounts. All bills unpaid will be treated in like fashion before the next meeting in two weeks, is the order of the board to William Leuchring, street commissioner.

At Monday night's meeting, Al Adams, chairman of the water committee, reported that \$431.78 has been collected since the board set out after water collections to leave a balance of \$1,065.97 outstanding. Empty promises and part payments on water bills for several months have made the village short in funds. It is necessary to take such steps so that the village can meet its own obligations.

The police committee reported 45 violations with fines totaling \$251 since August 1. Ninety per cent of the business licenses have been collected and the police force has been instructed to reach the remaining business enterprises immediately. Twenty more vehicle licenses and one dog license were reported.

A tax levy ordinance will be brought up for passage at a special meeting, Aug. 29. A treasurer's report for the month of July was presented to the finance committee for verification. Bills and pay roll amounting to \$3,438.27 was approved by the board.

Repairing of the village fire truck was authorized on the recommendations of a representative from the Seagraves company which has been instructed to inspect the damaged truck this week. Repairs to pump and chassis may be necessary and the board members and fire department are anxious to keep the cost as low as possible, refraining from sending it all the way to Columbus, Ohio, where the Seagraves organization is located.

A resident complained of the number of rats and rodents in his vicinity and held a nearby chicken house responsible. The matter was referred to the health officer for action.

The Milburn Construction Co. will be asked to either pay \$100 a mile or install a meter for the water needed to construct the cement pavement on Foundry road.

A request has been forwarded to the state and county to install an apron at the intersection of Foundry road and Hickory street.

The treasurer's office notified the board that all of the bills in the settlement of public benefits were ready. The bonding house is expected to turn over the necessary funds next week as the contract with Spencer White calls for payment in full by the village prior to Sept. 13.

## Judge Neuman Was Not Guilty

The Herald may be accused of waiting until Judge Neuman is away on a vacation before vindicating him of a charge of stop sign failure, but it has taken four weeks since the publication of the article in question for the Herald to get a confession from the guilty person who ran the stop sign at the intersection of Algonquin road and Route 58.

The article in question insinuated that Judge Neuman was stopped by a state officer while showing him a charge of stop sign failure, but it has taken four weeks since the publication of the article in question for the Herald to get a confession from the guilty person who ran the stop sign at the intersection of Algonquin road and Route 58.

Judge Neuman was in the last of the three cars that contained the crowd of friends who were on their way to a barbecue stand. Judge Neuman did not want the crowd divided and after a few minutes talk with the officer, the latter admitted that he did not know which car had really run the stop sign. There was nothing the officer could do, but let all of them go.

Anyway, Judge Neuman was not guilty.

## Fire Destroys Farm Home As Chicago Fire Engines Fight Blaze

The home of Lena Bruse, on Phillips road, between Foster and Irving Park boulevard was destroyed by fire with contents Sunday morning while two fire fighting equipments from the Chicago fire department, fought the blaze. Other buildings were saved. Origin of fire is not known. Loss is estimated at \$5,000. Insurance was with the County Mutual Fire Insurance Co. of Mt. Prospect.

This is the third fire within three weeks among policy holders of this insurance company.

## PALATINE GIRL SERIOUSLY HURT WHEN HIT ON RAND ROAD

Miss Alice Diamond, 27, Palatine and Wilke roads, was seriously injured when she was knocked down while walking along Rand road near State road last Saturday. William Burendt, 25, Chicago, was driving north on Rand road when he struck Miss Diamond. He immediately took her to the Mt. Prospect Hospital where she was treated for a broken leg and arms, internal injuries and a possible skull fracture.

## High School PWA Grant Approved, \$95 000 Bond Issue to be Asked at Election

### Only A Mix-up In Stories And Towns

Arlington Heights and Palatine firemen are good friends and enjoy fraternizing with each other, but do not enjoy taking any ribbing that belongs to the other. Stories in last week's Arlington Heights Herald and Palatine Enterprise were not exactly clear. So folks here are the facts.

It was the Palatine fire department which was unable to save the Chicago fireman's car because they could not get any water out of the two fire trucks they had taken with them.

It was an Arlington Heights fireman who wrecked a Seagraves truck when he became too excited to stop for a traffic signal.

Palatine firemen are now holding regular drills and all the members of the department are being taught the mechanics of the fire fighting equipment.

The Arlington Heights firemen say that it is no worse for a fireman to wreck a fire truck than it is for a police officer to wreck a patrol car.

So folks, now having got it all straight, we can all forget the incidents. Both departments have their troubles and if they were increased by the published stories, the editor is sorry.

## Des Plaines No Longer Dumps Sewage in River; Use Sanitary Sewer

Des Plaines started emptying their sewage in the Upper Des Plaines Intersecting Sewer this week when the new pumping station at River Forest began operation. All cities south of Des Plaines to Lyons are connected with the system that extends 15.6 miles from Roosevelt road north to Rand and River roads. The project was built at a cost of \$4,476,827.07 to the Chicago Sanitary Board with the help of PWA funds.

The Des Plaines river may once more become a beauty spot and be restored to its recreational usefulness as a large proportion of its pollution has been eliminated. Municipalities lying outside the Chicago Sanitary district which are directly or through tributary streams still emptying untreated sewage into the river are Libertyville, Wheeling, and Mount Prospect, and incidentally, Arlington Heights.

## Sid Page Troupe On New Zealand Stage

Word received by Palatine friends from the Pages, reveal that those popular performers are now playing in New Zealand and will be there until some time in September.

The Pages are having a wonderful trip and Sid says that he is making a record of the trip on his movie camera and will have some fine films to show the Lions club boys when he gets back to Palatine. Late advice says that the Pages have been booked for a tour of England, so there is no knowing when they will get home.

With all the ideas Sid has accumulated on this trip, he should be able to dot up the Lions chorus in some "hot" native costumes for the next big Crazy Show whenever he gets around to stage such a show.

## Car Crashes Tree; Driver Injured At Palatine

Mrs. Ruth J. Ross of Chicago is in the Palatine Community hospital with severe injuries sustained when her car swerved into a tree near the Dean place early Sunday morning.

The crash occurred at about 6:20 a. m. Dr. C. A. Starck was called to the scene and had Mrs. Ross removed to the hospital in an ambulance.

The exact cause of the car's sudden swerve into the tree is not known.

## Dr. Larson Saves Heart Attack Victim

Mr. Stanley Lipton of Whiting, Ind., was stricken with a very severe heart attack last Sunday evening while a guest at the Bon Air Country Club. The first thought of the family was to rush him to a heart specialist in Chicago. However, his condition soon convinced others in the party that he could not survive the trip and they rushed him to the Wheeling hospital.

Dr. E. L. Larson worked with him from 10 p. m. until about 2:30 a. m. when the patient was considered out of danger, much to the relief of his family and friends.

## TOWNSHIP CLUB TO MEET WEDNESDAY

Members of the Township club will hold a meeting at the Arlington Heights Presbyterian church next Wednesday evening. There will be good speakers on the program. Admission is open to everyone.

## High School To Open September 6

### One Teacher Resigns, Two Added To Faculty At Arlington Heights

All teachers are being notified of the opening of school at the Arlington Heights township high school Tuesday morning, September 6. Only one change is being made in the faculty for the coming year, the change being made necessary by the resignation of Miss Helen Reinhardt to join the staff in the commercial department of the New Trier township high school.

Miss Helen M. Meier has been employed to fill the vacancy and comes to this school from the Saunemin high school where she has had eight years of successful experience. Miss Meier received her A. B. degree from Illinois Wesleyan University, and took her post graduate work in commercial studies at the University of Chicago.

Because of the increase in the number of classes required for the coming year, it was necessary to employ one additional teacher in the English and History fields. Mrs. Florence Einfeld, who took her Bachelors Degree at Beloit College, and her Masters Degree at the University of Wisconsin, has been employed to fill this added position. Mrs. Einfeld will be known to many of the high school pupils as her home is in Arlington Heights and she has served as substitute teacher in the grade system for many years.

### Attention All H. S. Students

The high school office will be open during the usual office hours during the next two weeks prior to the opening of school. All students must put their book and other fees and draw their textbooks before the first day of school. Any students who have registered for the coming year and find that they will not return, are asked to call the office and leave that information so that their cards may be cancelled and more room provided for new students entering.

The next issue of the Herald will contain an article explaining the registration expenses to parents of beginning or new students. All those who have registered for subjects the coming year have only to pay their fees and get their books prior to the opening of school, but all others who have not registered should do so as early as possible the next two weeks so that provision can be made for their classes and textbooks.

### Receive Diplomas

Two boys, who were members of the 1938 senior class, have completed work in which they were deficient at the summer session at Schurz high school and they will be given their diplomas and their names added to the roll of the graduating class. The boys are Irvin Soenksen and Laurence Hauptly, both of Mt. Prospect.

## Another Postoffice Baby

We do not know if postal regulations say anything about the pleasure of motherhood, but a second baby has arrived in the Arlington Heights postoffice family. Mrs. Rose Paton, the young lady clerk who so often serves you through the window at the local postoffice, is a mother. The baby is a boy, born at the Palatine Community hospital, August 17.

Congratulations to mother and dad.

(Continued on Page 8)

## Arlington Truck Gardener Perfects Onion Digger

### Cuts 85 Per Cent of Digging Costs; Saves Work of Twenty Men

Paul Joost, an Arlington Heights farmer and grower of onion sets, has perfected a machine for digging onion sets that enables him to produce his crop at 22c a bushel where others who depend on hand labor have a cost of over 50c a bushel.

Mr. Joost used the machine on his own crop last year and this is the first season that he has contracted for onion digging for other growers. "Any farmer," states the inventor, "who plants over a hundred pounds of seed needs the machine."

Last Thursday, Mr. Joost dug 550 bushels with the aid of the machine and four men. Normally 25 men would be necessary to do that work in that length of time.

When asked how he happened to invent the machine, which he has patented, he replied, "I got tired paying out all of my onion set farmer and grower of onion sets has paid for itself in the money it has saved me on my farm the last two seasons."

Mr. Joost is naturally a mechanic and at intervals when not working on his farm, 2 miles south of Arlington Heights, he has been employed at the Bradley garage and machine shop. It was at that shop where he built the machine. Since completing the job on his farm last Thursday, he has installed an improvement and is ready to contract jobs with other growers, of which he has now a number of jobs.

One row of onions is handled at a time. Two discs cut off the tops, a blade raises the onions out of the ground and a conveyor belt elevates the crop to the hoppers where dirt is removed and the onion sets enter a bag.

# Arlington Society and Club Events

Grace Hahnfeldt,  
Donald Goedke,  
Wed Saturday

Miss Grace Hahnfeldt of Palatine and Donald Goedke, of Arlington Heights, were united in marriage Saturday afternoon at 3:30 o'clock by Rev. Fr. Gaeger of Boston, in the Rectory of St. James parish in Arlington Heights.

The bride was accompanied by her father, Edward Hahnfeldt. She was attired in a white muslin dress with a wide orange blossom corsage with train and billow folds. Her flowers were white roses and swansons.

She was attended by maid of honor, Miss Koepf, bridesmaids were Miss Mildred Becker and Miss Maryanne Farnbach with Moers, Edward Hahnfeldt, Jr., Harley Easton and Robert Goedke, completing the bridal train.

As they entered the rectory from their autos over the carpeted path, it was like an animated rainbow—the yellow, blue and pink gowns and colorful bouquets of the bridesmaids, formed a charming background for the bride.

After the ceremony the bridal party with a large company of relatives went to the ball room, where a hundred other guests, they were served with a beautiful feast. In the evening other friends joined the company. Music and dancing furnished entertainment and a buffet supper was enjoyed.

At an auspicious time the bride and groom faded out of the picture and went on a trip, which will last about a week.

The bride is the only daughter of Mr. and Mrs. Edward Hahnfeldt of Palatine. The bridegroom is the eldest son of Mr. and Mrs. Albert Goedke of Arlington Heights.

Among the guests were Mr. and Mrs. Louie of Chicago, grandparents of the bride and her grandmother, Mrs. Louise Hahnfeldt of this village, Mr. and Mrs. Henry Farnbach, grandparents of the

groom.  
Mr. and Mrs. Donald Goedke will reside in Krause and Kebe apartments, corner Campbell and Dunton, Apt. 3, South Dunton avenue.

## Christian Endeavor To Hold Steak Fry At Deer Grove

The Christian Endeavor Society of the Presbyterian church is having a steak fry Friday at Deer Grove. All those that are interested, please come on to the Presbyterian church by 5:45 p. m. Friday. There will be a small charge of 25c for expenses.

The Christian Endeavor Society also invites you to its regular Sunday evening meeting at 6:30 in the Presbyterian church basement. Next meeting will be led by Helen Palmer.

## Auxiliary Notes

The American Legion Auxiliary held their social meeting Tuesday. The afternoon was spent in sewing on the quilt and discussing the style show to be sponsored by the Auxiliary, Sept. 21. Miss Wilke of the Emerald shop will display her new fall models. The Auxiliary and Legion will hold their joint installation Sept. 17.

## LOCAL EVENTS

Members and friends of the Gleaners Circle of the Methodist Church, plan to make a tour of the Olson Rug Company, in Chicago, Thursday, Aug. 25. Cars will leave the church at 9 a. m.

Dr. J. R. Hayden and son, James, of 306 W. Euclid avenue, are enjoying a six weeks' vacation in northern Minnesota. They are also going to Canada before returning.

Mrs. Sophie Poldman has returned from Huntley, Ill., where she enjoyed a fine visit with her two sisters and other friends. She is 84 years young and keeps a live interest in the passing scene.

Mr. and Mrs. P. Hertel have word that a daughter was born to Mr. and Mrs. F. Koehler, Aug. 15, at Des Plaines.

Thursday, Aug. 18, Miss Lillian Klesman, 215 N. Haddon, gave a reception to a company of neighbors and their children and provided a charmingly unique program. Miss Marjorie Van Dyne entertained the guests with a puppet show. A one act play was presented by the play all by herself, firstly making her characters with wardrobes suitable for each cast and all the voices used to represent the various puppets. She has wonderful skill with the artistic touch. Punch and Judy, the organ grinder were there and two clown, true to life and twice as natural. She held her audience from first to last. Miss Van Dyne gives entertainments in children's homes and other institutions and spreads cheer to all her audiences.

Mrs. N. M. Lattor, 303 N. Haddon, gave invitations to playmates of her children, Irene and Warren for a come and have a good time lawn party, Tuesday afternoon. The rainy weather changed the place from lawn to an indoor entertainment, but it did not interfere with a general good time enjoyed by Irene and Warren's young guests as weather can not dampen their ardor when a party is given.

The Rest Home wishes to thank Mrs. Charles Klehm for the flowers that she presented the Home last Sunday. Two baskets of gladioli from Mrs. Klehm's garden were displayed at the St. Peter's Lutheran church and brought to the Home by Mrs. Klehm and Mrs. Klehm. The flowers were welcomed by the patients.

Mr. and Mrs. A. A. Peterson and daughters are spending their vacation at Wisconsin Dells.

The Gleaners Circle of the Methodist church will meet in the church parlor August 24, 8 p. m. Miss Laura McElhose and Mrs. Schluter are the hostesses.

Misses Ruth Duenn and Anita Swantz left Wednesday for Gages Lake for a week's vacation.

It will be Thursday night out for "Wally" Tsch during the bowling season after his marriage this Saturday. The Thursday night bowling league of last year gave a party to Wally at Meyers Park Tuesday night and re-elected him secretary and manager to assure themselves of Wally's presence. They also gave him a radio, and, although they didn't say so, the radio might have been given to entertain the wife until his return.

Miss Ruth Duenn spent last week visiting her cousin, Miss Mildred Pahlman, of Palatine.

Mr. and Mrs. Ralph Potts, Ralph Nebel, Arlington Heights, and Miss June Pearson of Norwood Park journeyed to Springfield Sunday morning where they attended the state fair for two days. Miss Pearson is the fiancée of Mr. Nebel.

Miss Peggy Barnes, manager of the Quality Grocery, is vacationing at Lake Delavan, Wisconsin.

Mr. and Mrs. Paul Hoffman and son, Bud, left Monday for New York and Canada. They will also do some real fishing at Northern Wisconsin. Miss Irma has had her vacation a little earlier, which she spends swimming and horse back riding with her many friends.

Born to Mr. and Mrs. John L. Grose, a daughter, Tuesday, Aug. 16, at St. Francis hospital. The little lassie is named Irma Judith.

Dr. and Mrs. H. G. Dunn spent last week with his mother in Sioux City, Iowa.

Norman Stadler spent last week with his grandparents in Barrington.

## CONSULT YOUR DOCTOR

WM. C. LUSSMAN  
Sieburg Pharmacy  
This is a thrilling age, full of speed, danger, complexity. The average person of today knows more, sees more, feels more in a day than his grandfather did in a decade.

The age also makes its demands upon the human system. The shocks and alarms of modern life are exhausting, enervating; they break down physical reserves until life becomes a burden. Yet a really healthy person enjoys modern life. Physicians understand the need for physical fitness. Consult your doctor at the first sign of apathy or mental unrest. He can improve your health and keep you zestful.

This is the third of a series of Editorial Advertisements appearing in this paper each week. Copyright

Mr. and Mrs. W. F. Vanderbeek, N. Dunton avenue, have gone to DeKalb for a visit with their parents. Mr. Vanderbeek plans a fishing trip with his father during the time.

Mr. and Mrs. Beckman and family, have recently moved here from Nebraska. Their new home is 1226 N. Dunton avenue. He is a railroad man with a western run.

Mrs. Gable is planning to move to the Crowley property, 506 W. Campbell avenue.

Mrs. H. C. Bolte and family will soon be at home in the John Klehm homestead which she has leased.

Mr. Stadelman and family from the city have come to live in their new home, 503 N. Belmont avenue, at one time the property of Albert Meyer.

Miss Alma Towne has been sick this week and unable to go to business.

Mr. and Mrs. O. M. Johnson went to the city Saturday to attend the funeral service of their sister-in-law, Mrs. Fred Johnson.

Mr. and Mrs. Jos. Schrader and family from Chicago will soon occupy their recently purchased home, 121 W. Fremont street.

Gilbert Klehm has sold his Rand road property and plans to build on and improve a new plot of ground he has bought.

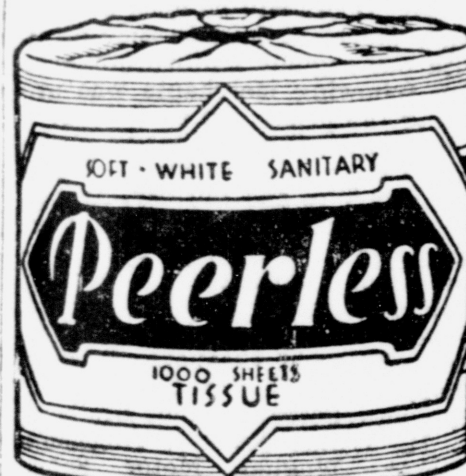

The M. R. Warsons, 905 N. Highland avenue, have bought an acre of land in nearby country side with a view to improving with buildings, etc.

Mr. Edw. F. Fritz, N. Douglas, is having a vacation, spending part time around home. He and the family expect to spend this weekend with relatives in Fon Du Lac, Wisconsin.

Mr. and Mrs. Hy. Farnbach from Jefferson Park, came Saturday to attend the wedding of his nephew, Donald Goedke.

Rev. C. F. Schellhase and family came from Sheridan, to occupy the M. E. Manse. Last Sunday he gave his first sermon to his congregation.

Winner of This Week's Gift Box — Mrs. C. A. Hughes

Mr. and Mrs. W. C. Hanauer have moved from 503 W. Belmont avenue to 305 E. Euclid avenue.

Wallace Volz has come from California for a two weeks' vacation with his home folks.

Mr. and Mrs. Her. Guerring from Waterloo, Iowa, with their daughter and family, Mr. and Mrs. Emil Brandt, spent last week visiting their relatives, the Rascher-Wilkes in this vicinity.

Mrs. R. M. Firnbach came from Cudahy last Thursday to help in preparations for the Goedke-Hahnfeldt wedding. Renador was unable to leave his station until Saturday evening.

Last week Thursday, Mrs. Geo. Peterson took Mrs. Butler, Mrs. Cordes and Mrs. Chas. Peters to Edison Park to the new home of their old neighbor, Mrs. Marie Lewis, where they met Mrs. Pearl Goodrich and Mrs. Elsie Morelock. Mrs. Lewis served a fine luncheon and everyone enjoyed an old time visit.

The Dorcas Aid Society of St. Peter's Evangelical Lutheran church are having their annual picnic this Thursday at Wing Park, Elgin.

Wednesday, Aug. 10, was the birthday of Edward, son of Mr. and Mrs. Edw. F. Fritz. He was two years old and the children of the neighborhood helped celebrate and all enjoyed the birthday cake and other choice eatables. There were games and a general good time.

Mr. Albin Flodine had a birthday celebration last Sunday and the relatives met for a happy party. They sang happy birthday. Ice cream and cake were served and all had a merry time. Among the guests were his sister-in-law, Mrs. A. Flodine from the city and her nephew from Boston.

Ann, small daughter of Mr. and Mrs. J. S. Hickey of So Haddow avenue, had a party Wednesday, Aug. 17, to celebrate her coming of school age. She was six years old and is counting the days until school begins and she can be one of Miss Clark's pupils.

Mr. Geo. C. Klueg had a real surprise Saturday evening when he came home and found a company of friends waiting to wish him happy birthday and all joined together to make it a merry one. Games and refreshments made it a real party, enjoyed by all.

Miss Millie Johnson returned last week from a week's vacation with Miss Nehls at Baldwin, Mich.

Orson Rau was sick last week, a case of tonsillitis, kept him from his usual activities.

The Misses Celia and Lydia Hausam and brother, Frank, are enjoying a trip north to Canada and other pleasant places.

Mr. and Mrs. S. Edw. Elfeld from Peoria, spent several days in the old home town the past week.

The Hogate family have moved from 635 N. Dunton into the Fuchs place, N. Dunton and Mr. Kelly and family are occupying the apartment vacated by the Hogates.

Mrs. Edw. Volz's friends are glad to hear that her health is improving. She can sit up a while each day and is encouraged to know that her doctor hopes she will be able to come home in a couple of weeks.

Miss Elizabeth Heller is enjoying a restful vacation in New Mexico.

Mrs. John Berchtold, W. Wing street, is suffering from heat and weakness and unable to be active as usual.

Mrs. Van Dyne and daughter, Miss Marjorie from Rock Island, who have been visiting her sisters, Miss Klusman and Mrs. Miller on Haddow avenue, returned home Tuesday.

## AT STATE FAIR

Floyd Roberts, internationally famous race driver and winner of this year's Indianapolis 500-Mile Memorial Day Race, is one of the feature attractions at the Illinois State Fair at Springfield, August 13 to 21. Roberts established a new track record of 117.2 miles an hour this year and was the 19th consecutive driver to win the Indianapolis Race on Firestone Tires. He will be stationed at the exhibit headquarters of the Allis-Chalmers Manufacturing Company, where his black and orange race car will be on display.

## VALUE OF IMMUNIZATION

J. SANFORD KRUGLICK, M. D.

The Tuberculosis Institute of Chicago and Cook County.

Diphtheria immunization should also be done within the first year of life. This immunization consists of injection just below the skin of a material known as toxoid. These injections are three in number given one month apart. The pain is negligible. There is little body reaction though a slight fever may result. The discomfort is small when you realize the good resulting from these injections. Three to six months after the last "shot" a test known as the Schick test is done to see whether the immunization has "taken." A small amount of harmless material is injected directly into the skin of the forearm. If the site of the injection turns red it signifies a lack of immunity. If the skin remains unchanged, the immunity is complete. For adults in need of these injections against diphtheria five injections should be used instead of three.

For someone who has contracted diphtheria or someone who has been in contact with an open case of this disease—antitoxin, which produces a temporary immunity, should be given. No one should be without this immunization against diphtheria.

## THE CHAPLAIN'S CHAT

By Captain Todd

### ABOVE THE SNAKE LINE

A man named Conwell once wrote a sermon by that title. He said that when the Berkshire Hills were first settled, the New Englanders found that down in the valleys were some dangerous snakes—rattle snakes, copperheads and poisonous adders. In order to escape the reptiles they built their homes above a 1200 foot limit. This was called the Snake Line because no poisonous snakes ever crept above it.

Just as they built their little red school houses and their white spired churches above the Snake Line, how fine it would be if all of us tried to live above the snake line, in our thoughts and conversation. Let us make up our minds to avoid the little stinging words which suck the blood of another's hopes. Let us keep looking upward, not downward. The psalmist said, "I will lift up mine eyes to the hills from whence cometh my help."

Keep your eyes on the hills. LIVE ABOVE THE SNAKE LINE.

### TENNIS TOURNAMENT

A mixed doubles open tennis tournament is being held at Memorial Park, Glen Ellyn, September 3, 4, and 5. The tournament is sponsored by the Glen Ellyn News. Entries, if accompanied by fee of \$1.00, will be accepted up to and including Tuesday, August 30.

## Pamphlet Explains New Laws

### Section On Financial Responsibility Now In Effect

Secretary of State Edward J. Hughes this week announced ready for distribution a supplementary pamphlet to the Motor Vehicle Laws containing the newly enacted Drivers' License and Financial Responsibility Laws.

Secretary Hughes stressed the fact that while the deadline for securing a Driver's License is May 1, 1939, the requirements of the Financial Responsibility act are in effect now.

Business houses that have copies on hand of the pamphlet are as follows:

Arlington Heights, Krause and Kehe Money Exchange, Herald office.

Mt. Prospect, Mt. Prospect State Bank.

Palatine, office of E. P. Steinbrink, National bank building.

Roselle, Roselle Pharmacy.

Itasca, Itasca Drug Store.

Bensenville, Bensenville Pharmacy, Olshaber's Store.

Under the regulations of the Financial Responsibility law any driver involved in an accident when final judgment is given against him in a court of competent jurisdiction must supply the Secretary of State with proof of his ability to pay the judgment. In the event that the driver fails to supply such proof his registration card and license plates must be surrendered to the Secretary of State until such time that the driver is able to give proof of financial responsibility.

**Summary**  
Summary of Financial Responsibility Law:

How proof of Financial Responsibility may be given.

1. By filing with the Secretary of State written certificate of any insurance carrier authorized to do business in this State, certifying that it has furnished to the owner a motor vehicle liability policy.

2. By filing with the Secretary of State a surety bond, or by a bond signed by two individual sureties each owning real estate having an equity therein in the amount of such bond.

3. By delivering to the Secretary of State a receipt of the State Treasurer showing the deposit with said State Treasurer of money in amount, or securities endorsed in blank by the owner thereof and of a market value of the total amount as would be required if a motor vehicle liability policy were furnished.

**Considered Satisfactory**  
What is considered satisfactory of claim under Financial Responsibility Act.

1. \$5,000 credited upon a judgment rendered in excess of that amount for bodily injury or death to one person.

2. \$10,000 credited upon a judgment rendered in excess of that amount for bodily injury or death to two people.

3. \$1,000 damages to property.

When proof of Financial Responsibility is required.

1. For those persons who have had their driver's license revoked.

2. For those persons who have had judgments rendered against them in automobile accident cases and have not settled such judgment or made arrangement for settlement within thirty days after they have become final.

## LETTERS to the Editor

Chicago, Aug. 13

H. C. Paddock Sons,

Dear Sirs:

Allow me to congratulate you on your wide-awake and well run paper. I enjoy my copy of it and am quite interested in the line "It Happened Here."

Mrs. C. Palmer,  
1236 E. 69th St.,  
Chicago.

## Fire Sirens Sound For Arlington Fire Chief On Western Trip

George K. Volz, Arlington Heights fire chief, does not know whether he and his party on their western trip, were a hoodoo to the cities he visited or about to visit, or whether the many fires at those towns were examples of Western hospitality to the visiting chief. The day before he reached Vancouver a two million dollar fire destroyed a pier and docks; while yachting on Puget sound, he was able to see the outbreak of a great forest fire fifty miles distant. There was a million dollar lumber yard fire while he was at Seattle. There were large fires at Rollins, Wyoming and at the Grand Coulee dam. After the Volz car left Oakland, a large fire occurred in the yards of the Southern Pacific railroad. At other places fires occurred either just before they arrived, while they were there or the day after their departure.

The chief was off duty and he did not even visit some of the fire displays that fate had evidently arranged for his honor.

However, he did have a bit of real excitement when a tire blew up as he was traveling eighty miles an hour. It sounded like a report of a cannon, but the car did not swerve from its course. "It made me scared as to what might have happened if I had not equipped my tires with Lifeguards," stated Mr. Volz upon his return home Friday night.

Mr. Volz was accompanied by Mr. and Mrs. G. Benson and Donna Marie. They had traveled 8,200 miles, the fastest time having been made between Wyoming and Nebraska on their trip home when they traveled in eleven hours, 592 miles, including stops for meals and rest.

The Volz party saw a lot of scenery. Starting at Yellowstone, where they spent three days, there followed Glacier Park, Canadian Rockies, Banff, Lake Louise and the Columbia River Highway to Tacoma and Seattle. A steamship took them to Vancouver. Returning to Tacoma, they had the pleasure of enjoying Pacific Coast hospitality that included a personally conducted tour to an out-of-the-way place on Mt. Ranier, two days yachting party on Puget sound; plane ride in a new 12-passenger Stimpson plane over Seattle and later an air ride over San Francisco, the fair grounds and the bay.

They had the pleasure of meeting personally Joe Crossen, the Lindbergh of Alaska, who flew Rogers' body back to the United States.

Mr. Benson has a number of relatives on the Pacific west coast who had previously been entertained in Arlington Heights, and those relatives were glad of the opportunity to show their hosts of the opportunity to show the hospitality that can be shown on the coast. There was no door, if they but expressed a desire, that was not open to the fire chief and his party.

The only former Arlington Heights resident visited was Mrs. Albert Steitz, a sister of Fred A. Lorenzen, who resides at Everette, Washington.

Leaving the northwest the party motored to San Francisco and from there to Reno (as sightseers only), thence to Salt Lake City and home. While on the Salt Lake desert they had the unusual experience of seeing and being able to photograph a mirage of two mountains fifty miles distant that appeared on the desert before them.

They could not help but notice the method of speed patrol as exercised in the western states, which is somewhat different than in many Illinois localities. All police cars plainly marked, patrol the highways and do not "bounce" out of side roads. The effectiveness is proven by the fact that even the Volz car remained behind one patrol car for a distance of twenty miles. The people of the Pacific coast are educated to obey the speed laws and impress upon visiting autoists the need of slowing down if they want to escape the law.

## ARLINGTON HEIGHTS MAN MAY SHARE \$12,500 ESTATE

Probate Clerk Mitchell C. Robin announces that the late William Lorenzen, who died May 11 in Maine township left a \$12,500 estate but no will. His heirs are his wife, four sons and two daughters. They are Augusta Lorenzen, widow, Fred, William, Emily and Raymond Lorenzen and Ella Schuur, all of East River road, Des Plaines and Carl Lorenzen, of Arlington Heights.

## Wisconsin State Fair August 20-28

With everything in readiness at the grounds, all Wisconsin is polishing up its automobiles and getting its train schedules arranged, in preparation for the trip to the Wisconsin State Fair, August 20 to 28.

Each inch of space on the huge farm equipment lot and 75,000 square feet in the industrial building have been sold and exhibitors are busy preparing to send to the Fair the cream products of a great year of agricultural development—crops, horticulture specimens, flowers, bees and honey, poultry, livestock and dairy products.

The greatest speed program in the State Fair history has been arranged—all of the entries are filed. There will be three great days of automobile racing, Sunday, Aug. 21 and Thursday, Aug. 25, there will be three 10-mile elimination heats; a 10-mile consolation and a 25-mile feature; Sunday, Aug. 28, there will be a 100-mile feature with qualifying time trial heats. Forty great drivers, many of whom have consistently been in the money at the Memorial Day races at Indianapolis will compete.

Seven class A and class C motorcycle events have been booked for Saturday, Aug. 27. Among the galaxy of speed kings will be found Bob Beatty, Pittsburgh, national champion.

Harness racing, Aug. 22, 23 and 24, also will bring out the class of the country in competition.

The great stage, 142 feet long, is being raised for the Belles of Liberty, the great \$15,000 outdoor spectacle that will be presented every night excepting the opening night. A company of more than 100, including glamorous girls in dancing and singing choruses, and international stars of screen, radio and stage will sparkle at their brightest.

The entire five-hour broadcast of the WLS National Barn Dance will be held the opening night. Every one of the regular stars will be present. Eleven circus acts featuring the most daring and sensational artists in the world will be part of the daily grandstand entertainment.

## DES PLAINE MAN HURT IN IOWA ACCIDENT

Three persons, including I. Hobben, 45, of Des Plaines, were injured late Thursday last when a truck collided with a parked North Western Bell Telephone Co. truck near North Liberty, Ia. Hobben was seriously bruised in the left side when he was pushed along the pavement. Both trucks took fire and were damaged.

## WALKING AROUND CAR STRUCK BY HIT-RUN DRIVER

Orvin T. Havey, 43 years old, a Madison, Wis., contractor, was severely injured Saturday night when he was struck by a hit and run driver in Barrington. Mr. Havey and his wife were visiting friends in Barrington and about midnight, he went out to drive his car into a driveway.

As he walked around to get into the driver's seat, he was struck by another automobile. His clothing was torn off and he suffered a long, deep laceration across his entire back. He was given first aid treatment at Barrington and then was brought to Sherman hospital in Elgin.

## RECEIVER RESIGNS

Melvin B. Erickson, who has been receiver for some time for the failed national banks at Niles Center, Palatine and elsewhere has resigned to enter business in Chicago.

## Republicans Plan Fourth Annual 'Bill' Erickson Day

With the appointment of Albert F. Volz, Wheeling township Republican committeeman, as member of the public relations committee of the Fourth Annual William N. "Bill" Erickson Day scheduled for September 8, plans for the elaborate event are virtually completed.

The all-day outing, amusements, dinner and refreshments, music and dancing, and floor show entertainment, will be held at the Elmgate Country Club in Glenview, Illinois. The local political leader will head a party from here of friends of County Commissioner Erickson who are expected to turn out an attendance of more than 3,000 persons according to predictions of Judge Harry H. Porter, chief justice of the Evanston municipal court and general chairman of the outing. The gathering was inaugurated several years ago as an outing for precinct committeemen, but grew into a general get-together for the friends of Commissioner Erickson from all parts of Cook county.

## Sue Saloon Keeper For \$90,000 For Selling To Driver of Death Auto

As a result of the terrible accident at Dempster and Fowler streets, Evanston, Aug. 15, last year when drunken drivers ran two cars together, killing Joseph Dunn and injuring others, two suits have been filed in Circuit court for big damages against Katherine Stauffer, owner and operator of a Niles Center saloon, under the dram shop act for selling liquor to the car drivers.

James Hansen sued her for \$25,000 for injuries, he being a passenger in a car driven by Theodore Steiner, who with Andrew Anderson, had been drinking at this saloon and their cars collided. Mrs. Lillian Dunn also sued Katherine Stauffer for \$65,000 damages for her husband being killed in the same accident, he also having been a passenger in the Steiner car.

## NOT Softball But Hard League Baseball

"Who's playing SOFT ball," spoke up the Des Plaines Old Timers nine when they read the story about the match of the "5'ers to 4'ers" in last week's Herald. Soft ball is a game for "up to 3'ers," they say, and we are playing regular big league rules.

The Des Plaines baseball team is made up of former major-league and semi-pro baseball players. Wheeling upset them last week. They are looking for games with Palatine and Arlington Heights who have not as yet showed any signs of answering the challenge that has been repeated several times.

The ire that was Des Plaines when the Herald published a "soft ball" game does not seem to be present in Arlington Heights and Palatine when they read Des Plaines' challenges.

## Trained MEN AND WOMEN Hold the Key Positions

FUN FOR EVERYONE!

# WHEELING

Miss Betty Seaton of Chicago, is spending several weeks here with her two brothers and three half sisters.

The John Nielsen and James Craig families, enjoyed a picnic in the Forest Preserve Sunday afternoon.

Mrs. Ray Lersch and sons, Victor and Eugene, and Mrs. T. Pieper with her two young nieces, motored to the Brookfield Zoo last Tuesday where they had a good time watching the many different animals.

Mr. Albert Schultz was operated on for an abscessed appendix at the Hines Memorial hospital last Friday. He has been recovering satisfactorily and we hope he will soon be restored to his usual good health.

Mrs. Ruth Wiles is spending her vacation attending a Recreational Institute at Steamboat Springs, Colorado. While his mother is in the west, Master Tommy Wiles is enjoying a Y. M. C. A. camp for boys at Hastings Lake.

Rev. and Mrs. H. J. Wiegand were entertained at the Lesser-Schwab home on Sunday.

Mr. and Mrs. H. Henaras and Mr. and Mrs. M. Harrington of Chicago, were callers at the Turner home on Saturday. Mrs. Turner and daughter, Fanny Belle, returned to the city with them to spend Sunday.

Mr. Jos. Bellmore, Sr., and Mr. Edw. Bellmore are away on a ten day trip to South America, Canada, where they will visit several cities. They accompanied Mr. and Mrs. Otto Braune and son, Robert, Mr. Edw. Bellmore left his barber shop in charge of a first class barber during his absence.

Miss Doris Wiedner celebrated her birthday on Tuesday with the help of some of her girl friends.

Miss Margaret Pearson with her mother and brother, Harry, came from Rockford to spend Sunday with the Wm. Utpatel family.

Miss Gerry Goumas of Northbrook is visiting at the J. Nielsen home.

The Misses Virginia Gieske and Jessie Hartmann of Wheeling and Alice Artis of Highland Park, are vacationing at Lake Lawn, Delavan, Wisconsin, this week.

Mr. and Mrs. L. Holtje and daughter, Holly, attended services at the Methodist church at Libertyville on Sunday and motored to Lake Geneva to spend the afternoon.

Mrs. Nellie Atwood of Chicago, is spending this week with her parents, Mr. and Mrs. J. Blackford. We are glad to learn that Mrs. Atwood is much improved in health since a recent serious illness during which she was confined to a hospital for almost a year.

The Misses Marilyn Miller and Eloise Kruse were invited to spend a day at Glen Ellyn this week, with a group of girls who roomed together at Westminster Lodge conference.

Out of town attendants at the Presbyterian church last Sunday included Mr. and Mrs. John Wiegand, Mrs. Carl Schuessler and sons, Herbert, Walter and Carl, Jr., Mr. and Mrs. O. Fillmore, Mrs. Glatz and son, Robert, all of Chicago and Mr. and Mrs. Edw. Wahl of Arlington Heights.

## COMING TO RUBY'S GROVE

Doc Hopkins, Karl and Harty, Blue Eyed Boy, Cumberland Ridge Runners at Ruby's Grove, Sunday, Aug. 21, Matinee and Evening

## Swimming And Roller Skating Was Program Young People's Club

About 25 young people representing the Presbyterian Young People's club of Wheeling and their friends, enjoyed an outing to Cedar Lake near Lake Villa last Thursday afternoon and evening. The lake with its sandy beach was ideal for swimming in the afternoon. Spacious picnic grounds at the resort with plenty of tables were utilized at the supper hour.

With the coolness of the evening air "dramping" the desire for fun, roller skating at Diamond Lake. We imagine more than one stiff joint was rubbed the next day, but all had a happy time.

## River Forest Boosters Hold Garden Contest

The Forest River Boosters club, a development north of Des Plaines, will meet Friday night and receive the decision of the judges in the Home and Garden contest. Representatives of the Paddock Publications, the Des Plaines Journal, and The Des Plaines Suburban Times have acted as judges.

Cash prizes will be awarded for the best flower garden, vegetable garden, and best appearing property.

## Lions Small at Birth

Most lions on exhibit were born in captivity. When excited, lions often kill their own young. Lions weigh only a pound or two at birth. Five years later they tip the scales at around 400. Wild lions hide their cubs before going out to hunt. Hence the female's instinct to carry her babies to safety when zoo crowds worry her.

## Scene—Stealer Given Fat Part In "Swiss Miss"

An unsung character actress who has been stealing scenes from Hal Roach-M-G-M players for fifteen years makes her latest appearance in "Swiss Miss." Laurel and Hardy musical production which appears Sunday and Monday at the Arlington Theatre.

She is Dinah, veteran comedy burro, trained by Tony Campanaro, caretaker of the Roach ranch for fifteen years.

Dinah has appeared in more than fifty shorts and features throughout that period. A favorite pet of studio aides, the burro is completely camera-wise and the Roach company has refused several offers up to \$500 for her purchase by other studios.

In "Swiss Miss," Dinah pulls the sleigh that carries Laurel and Hardy, mouse-trap salesman, thru Switzerland. Because of her advanced years, special wheels were placed on the runners of the sleigh to lessen the burden of hauling the 322-pound Hardy and his partner. "Swiss Miss," a musical-comedy extravaganza laid in the Swiss Alps, presents Laurel and Hardy in their first co-starring appearance in more than a year. Featured in support of the comedy stars are Della Lind, noted European singing star in her American film debut, Walter Woolf King and Eric Blore.

## PROSPECT HEIGHTS

by MARCELLA SOBOWICK AND JANE PAYNE

Don't forget about the picnic which will be held Sunday at the corner of MacDonald road and Elmhurst road and is sponsored by the Improvement association of Prospect Heights. The committee have made plans to have refreshments and everything free. Games of different kinds will be played and there will be prizes also. Come out and have a good time.

Mr. and Mrs. Lancaster and family have returned from their vacation at Pelican Lake, where they have a summer cottage. They report a good time was had by all swimming, fishing and having a real good rest.

Mr. Shepherd has returned from a trip to New York where he went on business to install machines for the company.

Mr. and Mrs. Collins entertained Jerry and Bernice Andrews, "Scotty" Roberts, and Ann Bernard of Libertyville, also Mr. and Mrs. Arthur Wilson, Bill Laib and "Madame" Marie Panko of Oak Park, last Sunday. The men folks went out for a round of golf in the afternoon and returned in time for supper, and a game of bridge with the ladies in the front yard. They had such a real good time that they even ran out of ice cubes.

During last week-end Mr. Collins, Mr. Foy and Mr. Berlin played golf at Bannockburn Country club. We know they all had a real good time and enjoyed their game very much.

Mrs. Collins drove down to Beverly Hills last Monday to visit a friend who was very sick. We hope she found her friend feeling much better.

Mr. and Mrs. Wm. Danielson celebrated their 17th wedding anniversary last Wednesday. Don't know whether they went out to celebrate or had company, but Vi went into town to have her hair fixed up. Congratulations folks, and we wish you many more years of happiness.

This seems more like June instead of August, as we have another couple celebrating their tenth wedding anniversary, and they are Mr. and Mrs. Arthur Brownell, who were married 10 years ago Thursday. They spent the evening with their bridesmaid and best man in Chicago, having dinner and taking in a show. Congratulations and best wishes to you all.

Little Bobby Brownell has been very sick with a bad cold, and we hope that he will get over it and be running around real soon.

Mr. and Mrs. Nielsen had another busy week end starting Friday evening. They had Mr. and Mrs. Daniel Robertson stop in to see them and since these folks are future neighbors, I guess they just cannot wait until they move into their new home over in the new subdivision, so they drive to see their friends and then Mr. and Mrs. Harry Johnson, Mr. and Mrs. Earl Murray and Miss Sylvia Olsen, drove out and they all had a delightful time laughing and talking until the wee sma' hours. Much later that night, Mr. and Mrs. J. Maxwell drove out and told the Neilsens that they had gotten lonely for our community and decided to stay over the week-end. Mrs. Maxwell is Mrs. Neilsen's sister, Donna, and were just returning from their vacation at Yellow-

stone Park. Mr. and Mrs. Nielsen spent Monday after work in Chicago, having dinner with their friends, Mr. and Mrs. McMahon. They had a real good time and arrived home about midnight.

## Who's Who

Mr. and Mrs. Percy N. Collins, who live on Elmhurst road, moved into their new home last April. They had lived in Oak Park ever since they were married 20 years ago, and two years ago sold their home there, and moved into Scoville Hotel, Oak Park, and from there they came out to Prospect Heights.

Mr. Collins is of Holland Dutch and Scotch ancestry, and was born and raised in Chicago.

Mr. Collins is purchasing auditor for the Scully Steel Products Co., of Chicago.

The hobbies of Mr. Collins are

billiards and golfing. He has played billiards since he was 17 years of age, and was champion at the age of 21 years. At that time he held the championship for two years, then lost it a few times, only to win it back and hold it for seven consecutive years. After the Illinois Athletic Club in March 1929, presented him with a life membership in the club, and adopted resolutions, since he represented the club at all times. He then won it in 1930 and 1931, and then he retired since it meant that all their vacations were spent at billiard tournaments and traveling all over the country.

Mrs. Collins is a Hoosier, having originally come from Indiana. Her hobbies are gardening in summer and knitting in winter.

The Collins have no animals in the home since the pet angora cat "Dolly," was lost about two months ago.

## VACCINATING HORSES

Dr. E. E. Gieske of Wheeling has been kept quite busy injecting horses with a serum thereby immunizing them against sleeping sickness, the disease that is sweeping the country among horses with fatal results. There have been a few real cases reported in this neighborhood. The disease is spread through mosquitoes and flies.

## Wedding Anniversaries

Mr. and Mrs. Clarence E. Williams celebrated their tenth wedding anniversary last Friday. They were surprised in the evening by a group of relatives and friends from Chicago and Deerfield, who serenaded them with a charivari played on the tinware brought for the "tin wedding." Other gifts included a crystal cake plate with chromium cover and a Health O' Meter Scale. The anniversary evening passed in a merry fashion, and guests departed wishing them many happy returns.

Mr. and Mrs. Charles Cokenower, Sr., celebrated their silver wedding anniversary Sunday with the help of their sons and families. Mr. and Mrs. James Blackford of Wheeling, Mr. and Mrs. G. Goodwin and family and Mrs. N. Atwood of Chicago.

A chicken dinner was served at the home. The afternoon and evening passed pleasantly with game and visiting. The celebrating couple received some attractive gifts and the wishes of the family that they may all assemble in the future for a golden celebration.

## Farmers May Get Soil Tested Free

### Soil Samples May Be Brought To Township Meetings

"To give every farmer in Cook county an opportunity to test his soil is the purpose of a series of soil test meetings to be held beginning in about a week," states Farm Adviser C. A. Hughes.

"A meeting will be held in each township of the county, and they are open to all farmers. No charges of any kind will be made for this testing service. Neither will there be any solicitation of any sort. These meetings are purely soil meetings with the object of getting farmers to know more about the care of their soils."

Before coming to these meetings, each farmer is requested to secure his own soil samples. They should select some particular field they want to test. Use a spade and take the surface sample about three inches down. If lime fertilizer has been used it is suggested that a handful of soil be taken in three places at least and mixed. It requires no more than a couple of tablespoonsful of soil for testing. Also a subsoil sample should be taken about 15 inches down, representing major changes in a field.

**Sampling a Field**  
The average 10 acre field will run about 5 surface and 3 subsoil samples. At least each change in soil formation should be sampled. The samples can be wrapped in paper, or placed in small paper sacks, such as are used for candy, and numbered so their place in the field can be identified. The surface and subsoil samples should be separately named.

**Air Dry Samples**  
For testing, the samples should be air dried a few days. Wet soil does not test properly. Now is a good time to get your samples for these meetings.

**Vegetable Soils**  
Vegetable soils have peculiar lime requirements and they will be given special attention at these meetings.

**Conduct of Meetings**  
As much as possible we expect to show farmers how they may test their own soils or at least understand more about lime, fertilizers, phosphates and legumes. The boys, as a rule, like to test soil, so they are welcome at these meetings. Meetings for the following week are:

Barrington—Thursday, Aug. 25, 10 a. m. Humphrey's school, Dist. 9, Palatine—Thursday, Aug. 25, 2 p. m., Ed. Bohlin's, Algonquin and Elia roads.  
Wheeling—Friday Aug. 26, 10 a. m., Alfred Busse's, Rand and Central.  
Northfield—Friday, Aug. 26, 2 p. m., Art. Holste's, Willow and Sherman.  
Hanover—Saturday, Aug. 27, 10 a. m., A. W. Sodman's, Bartlett.  
Schaumburg—Saturday, Aug. 27, 2 p. m., Hartman school, Dist. 5, Wieser road.  
New Trier—Sunday, Aug. 28, 2 p. m., Wm. Rengel's, 2722 Glenview road.  
Elk Grove—Monday, August 29, 10 a. m., Geo. Scharringhausen's, State and Landmeier roads.  
Moline—Monday, August 29, 2 p. m., Homer Long's, Central and Greenwood.  
Leyden and Norwood Park—Tuesday, August 30, 10 a. m., School Dist. 77.

## Prospect Heights To Picnic Sunday

Prospect Heights, the new De Luxe Smith & Dawson Subdivision will hold their first annual Picnic this Sunday on the corner of Elmhurst and McDonald roads.

The Prospect Heights Improvement Committee has been working hard and doing everything in their power to make this picnic a grand success.

There will be games for young and old, a baseball game featuring the north side against the south side of the town starting at 2:30, and plenty of free refreshments for all.

This picnic is made possible thru the donations received by the various contractors and merchants supplying this fast growing community.

### Des Plaines Is 'Most Sued' City In Illinois

The August issue of the Municipal Review lists 20 cases pending in the courts as affecting the powers of municipalities. Of the 20 cases Des Plaines came in for 10 and the other cities of the state, including Chicago, accounted for the other half. Three of the suits demand an accounting alleging diversion of special assessment funds. Other cases bring a variety of demands including one plaintiff who wants to remove her land from the city, one who wants the city to remove a street from her land, and another who blames the city for improper removal of water from his land.

### Mitchells Attend Reunion Of 1898 Volunteer Regiment

The Calvin Mitchells motored to Joliet Sunday afternoon to attend a two day reunion of the third Illinois Volunteers. This regiment was sent to Porto Rico forty years ago and helped to drive the Spaniards out of the Island and make it a part of the United States.

Out of 1300 only a little over 600 are still alive to continue their annual reunions until everyone has answered the last roll call.

There were about as many wives of the old veterans as there were men at this meeting, and all united in two days of fraternizing and reminiscing.

"The young roughnecks of the army of 1898 are growing old and gray, but before any enemy ever conquers the U. S., they will be on the battle line," writes the "Old Scout."

### Seek Record Crowd At Glenview Days Next Week-end

With favorable weather conditions, the Glenview days committee expects a record crowd at the annual event Saturday and Sunday, August 27 and 28. Last year's gross receipts of \$10,000 is a high mark to try to overcome but the committee are optimistic toward the "Days" this year. The carnival is among the last of the northshore events.

Fire departments of Glenview, Niles, Des Plaines, and Morton Grove will engage in water fights. Two teams of the Junior members of the Glenview department will also meet in a water battle.

The usual carnival features will be present along with added attractions that will make Glenview days the outstanding days of the year.

## OBITUARY

**MRS. CLARA THURNAU**  
Mrs. Clara Mundhenke Thurnau, 58 years old, widow of Emil Thurnau and a lifelong resident of the Barrington and Des Plaines area, died Thursday night at her home, 1439 Jefferson avenue, in Des Plaines. She had been ill but a few days.

Mrs. Thurnau was born in Barrington, on Oct. 8, 1879, a daughter of Henry and Caroline Mundhenke.

She is survived by two children Frank Thurnau and Mrs. Florence Bergstrom, both of Des Plaines; her mother, Mrs. Caroline Mundhenke of Barrington; a brother, Irving Mundhenke of Barrington, and six sisters, Mrs. Ida Thiede of Des Plaines, Mrs. Lydia Radtke of Bartlett, Mrs. Caroline Quandt, Mrs. Alma Quandt, Mrs. Martha Gieseke and Mrs. Ella Lohse, all of Elgin. Her husband died 10 years ago.

The funeral service was held Sunday afternoon from the Oehler chapel, in Des Plaines. Burial in Hillside cemetery, Palatine.

**MRS. LILLIAN BLUME**  
Mrs. Lillian Blume, 47 years old, died August 8 at her home in Des Plaines where she was born, January 30, 1891. She was married to William Blume April 19, 1913, and the couple celebrated their 25th wedding anniversary this year.

Services were held last Thursday at the Oehler chapel with burial at the Town of Maine cemetery. Pall bearers were William Ladendorff, Charles Blewitt, Arthur Blewitt, Edward Heese, Fred Hammerl, and Fred Coffman, townsmen who had known Mrs. Blume since her school days. Her maiden name was Lillian Wehrmeister. She is survived by her husband, William Blume, Jr., by four daughters and by a son.

**GEORGE BECKMAN**  
George Beckman of Deerfield, son of Mr. and Mrs. Fred Beckman of Prairieview, died at the Highland Park hospital, last week, following a major operation performed August 1. He would have been 49 years old in September. He is survived by his wife and their two sons, his mother and father, and by ten brothers and sisters. Services were held at his late home in Deerfield and at St. Paul's Evangelical church, August 9.

## Cut Off Fire Service At Roselle

### Property Owners Who Disconnected From Village Are Notified

The clerk of the Village of Roselle was instructed by the board last Friday night to notify the chief of police and the chief of the Roselle volunteer fire department that former property owners whose names appear in "orders of disconnection" are no longer legally within the village limits and therefore are no longer entitled to police and fire protection from the Village of Roselle. There are some eight former property owners who come under this edict, but only three will actually suffer the loss of such protection, the others owning only parcels of land.

The above property owners took advantage of the late statute enacted at Springfield which, under certain circumstances, permits property owners to withdraw from a municipality, and thereby escape village taxation.

## High School-

(Continued from Page 1)

of the district is \$124,900.00. There are no defaulted bonds or interest. No outstanding tax anticipation warrants and all bills are paid including all special assessments in full.

The PWA grant approved by the government is \$77,727.00. The proposed new bond issue, \$95,000.00.

Making total cost of proposed improvement, \$172,727.00.

The original building was built in 1923 and the east wing addition in 1929. Total cost of present building and addition was \$225,000.00. Area of present school site is 11 acres. Area of the district is 34 square miles and includes villages of Mount Prospect, Prospect Heights and Arlington Heights and intervening and adjacent rural areas in Wheeling, Elk Grove and Palatine townships.

Preliminary plans for the contemplated improvements have been drawn and consist principally of an eight room addition on the north-west corner of the present building. This new wing has two large study halls and a full basement for the cafeteria. None of the present rooms are to be sacrificed, the remodeling consisting chiefly of combining the present auditorium and gymnasium into one large combination auditorium and gymnasium with removable seating, and the removal of the heating plant into a separate unit away from its present hazardous location. New construction is planned to be of the best fireproof type including the elimination of the present tinbox construction of the auditorium and gymnasium roofs which in addition to its fire hazard has been the source of costly, and at best, temporary repairs. New shower rooms on the ground floor are planned to eliminate the present very unsatisfactory arrangement.

Later news releases will be more specific in acquainting the patrons of the district with details of the plan, which are now being developed by a prominent architectural organization.

The present splendid fiscal position of the high school district is due largely to careful management by previous high school boards and officials, and stands as a tribute to their faithful endeavors. The present high school board is committed to these same careful practices and they aim to give the taxpayers of the district full value for every tax dollar received.

The Board of Education of School District No. 214 consists of the following members:  
Clarence I. Davis, President.  
Albert C. Haake, Secretary.  
Ralph Gould.  
John Sayres.  
W. F. Meyer.  
Otto Busse.  
Walter Hanauer.

If you have any questions on high school matters, these men know the answers or have access to sources of information that will provide the answers. Arguments pro and con upon this matter will be heard as the plan evolves but the fact that cities grow with their schools remains. At the moment, the high school district lies in the direct pathway of a movement of population that predicts an unprecedented growth in population and home ownership. The sub-conscious that about Chicago suggests in minds everywhere, "It's Best, Northwest."

## Bartlett Firemen Picnic and Dance Sat. & Sun., Aug. 20-21

Bartlett fire department and the Hanover-Wayne Rural Fire League are sponsoring their first annual carnival and dance to be held in Staib's Grove, Bartlett, the evening of Aug. 20, and all day on Aug. 21.

There will be amusements of all kinds; rides, games, cats and refreshments and on Sunday, Aug. 21, a radio and washing machine will be awarded.

Music for Saturday night, the 20th, will be by Charlie's Grenadiers and on Sunday, the 21st, by Heine's orchestra.

Jim Poole, livestock market reporter, broadcasting daily over station WLS will be at the picnic on Sunday, August 21.

## Arlington Road To Get Black Top

### Listed With 3 Other DuPage Projects At Wheaton Tuesday

Along with three other DuPage county highway projects approved by the county board at Wheaton, Tuesday, to cost \$236,370, the much talked about improvement of Arlington Road from Irving Park Boulevard north to the Cook county line has at last got the "go ahead" signal and the work of laying a black top surface is to start in a few days.

A telegram from D. R. Kennicott, Regional director of PWA at Springfield, informed the DuPage county board that an allotment of \$106,363 had been set aside for road projects in this county and urged the board to "rush final plans and specifications" and to make available funds necessary for the county's share of the expense.

John J. Kelly, chairman of the DuPage county road committee, who with William Senf were instrumental in getting this improvement included in the DuPage list of projects, said that the final approval of the grant would be made by the county board at a special meeting called for this purpose Aug. 23. The county's share of the expense for these projects amounts to \$130,000, 55 percent of the total cost. PWA pays 45 per cent.

## 30 years ago

FRIDAY, AUGUST 14, 1908

Arlington Heights

Mrs. Abbie Taylor and daughter, Lura, were in Chicago this week.

Mrs. T. J. Hitchcock returned Saturday from a week's visit with friends at Lincoln, Ill.

The Gamble and Afor families entertained their friends, Mr. and Mrs. Furman of Harrisburg, Ill., over Sunday.

Mrs. Young of New Lisbon, Wis., came Sunday to visit her daughter, Mrs. Fred Bradley.

Palatine

Mrs. Hopkins left Tuesday for a month's visit with relatives in Vermont.

Misses Lillie and Louise Abellmann entertained friends from Chicago, Sunday.

Wm. Dahms and family of Wauconda, visited her parents, Mr. and Mrs. Wittie, Sunday.

Eddie Dalsen, Harry Bergman and Thomas Putnam will start Monday night for a two weeks camp at Twin Lakes, Wis.

W. K. Kimball in his market south of Mr. Perry's barber shop, is ready to furnish meat and fruit of all kinds for the harvesters.

Itasca

F. H. Kuecker and Willie Mess are enjoying two weeks vacation.

August Friedrich, Jr., is away on two weeks' vacation. He took a trip to New Orleans.

Mrs. E. D. Jacobus and little son, Walter, returned Thursday from a visit with relatives in New Jersey.

Bensenville

Miss Lily Hiementhal of Chicago was the guest of Mr. and Mrs. Wm. Kulon, Saturday and Sunday.

Edwin Franzen entertained a large number of his friends Sunday evening in honor of his 21st birthday.

Paul and Christ Warnecke left Tuesday for a few weeks visit in Iowa.

## To Complete Black Sea Drainage

### Georgetown Swamp Also To Be Drained As WPA Project

According to John J. Kelly, the drainage work undertaken some time back in the Black Sea district north of Bensenville, which was left uncompleted, will be resumed again within a few weeks due to the approval of a WPA project for this purpose. The huge ditch which was to drain the overflow waters here eastward and finally into the Des Plaines river will be extended to drain the land west of the roadway.

The drainage of the lowlands in the Georgetown subdivision back of the Reher garage, has also been included as a WPA project. It has been necessary to secure easements from the property owners along Silver creek before this work could be launched. There are several signatures still to be obtained, it is said, and when these are received the workers will get busy.

To advance these two drainage projects, Addison township donated \$1,000.

### Ruth Family To Meet At Lake Zurich For Annual Reunion

The Ruth family association of Illinois will hold its annual reunion at Renard Park, Lake Zurich, August 28. A permanent organization was affected in 1936 with annual meetings to be held in the vicinity of Chicago.

Representatives from various family lines descending from Peter Ruth who emigrated to Pennsylvania in 1793 and particularly from a grandson, George Ruth, who settled in Long Grove in 1836, will be in attendance.

Other states to be represented are Ohio, Iowa, Minnesota, Indiana, New York, California, South Dakota, Nebraska and Pennsylvania.

Miss Florence Brubaker of Oak Park, will speak of her recent trip to Europe and of her visit to the old ancestral homestead.

## Orchard Place Nips Mt. Prospect 11-1

Displaying overwhelming power at bat, the Orchard Place baseball team decisively defeated Mount Prospect Sunday on the visitors diamond by a score of 14 to 1.

Orchard Place this year has a crack nine and has been meeting and beating some of the best teams in this section. This Sunday they play the Rose A. C.'s of Cicero on their home diamond at Elms Inn, Mannheim and Higgins. You are welcome.

## Farmers 3rd Annual Picnic At Ruby's Grove Sunday

Farmers third annual picnic, at Ruby's Grove, Higgins and Mannheim, featuring Cumberland Ridge Runners, baseball, dancing, games, etc., will be held Sunday, Aug. 21. Matinee and evening programs are announced. The fun starts at 1 p. m. You are invited.

■ An outstanding refrigerator buy of 1938! Here's why—the gas refrigerator freezes with no moving parts to wear or cause noise. That means permanent silence with low operating costs and low maintenance costs year after year. And this year, prices have been drastically reduced! Servel Electrolux brings you safe food-keeping with every up-to-the-minute convenience! See our big display—choose the model that suits your needs—that fits your budget.

It's Here: **NEW SUPER-SAVING GAS RANGE**

With the combined knowledge and resources of the leading gas range manufacturers, prominent gas company executives, the American Gas Association Laboratories and nearly \$1,000,000.00, the amazing new super-saving gas range was developed to meet 22 rigid specifications for top-notch performance. The CP emblem on a gas range is your guarantee that every specification has been fulfilled . . . that when you buy a CP Gas Range you are getting the best features of every kind of range on the market . . . with cooking performance ten years ahead.

Only **\$119.00**  
With your old range Low down payment—up to 18 months to pay—Small carrying charge for deferred payment.

Marbora Universal—A CP Gas Range "CP" stands for "Certified Performance" which gives you better cooking, less work and greater savings than ever before!

To Insure Your Satisfaction  
**THREE MONTHS' TRIAL OFFER ON MODERN EFFICIENT AUTOMATIC GAS WATER HEATER**

We offer you an up-to-the-minute efficient Automatic Gas Water Heater for only \$1.50 down, the balance payable on your gas bill, with up to 48 months to pay. Choose from number of well known makes and models on which offer applies. Liberal installation allowance and trade-in allowance for old water heater or furnace coil. If you are not satisfied at the end of 90 days, we'll remove the heater at our expense and cancel the balance of the contract. Ask about it now!
